

રોલ કેવી રીતે બનાવવો?

Evenmore ERP · 1 / 4

1. Administration > Roles પેજ પર Create New Role પર ક્લિક કરો.

The screenshot shows the 'Manage Roles' interface in the Evenmore Infotech ERP system. The left sidebar contains navigation options: Dashboard, CRM, Sales, Purchase, Parties, Inventory, Accounts, HRMS, Reports, and Administration (selected). The main content area is titled 'Manage Roles' and includes a search bar, a 'How to create a role?' link, and a '+ Create New Role' button. Below this, there's a section 'Why use Roles & Permissions?' explaining the purpose of roles. A summary card shows key statistics: Total Roles (14, up 12% vs last month), Total Users (73, up 5% vs last month), Total Permissions (328, up 8% vs last month), and Active Modules (6, 100% System Coverage). The 'Roles' list on the left shows various roles with their descriptions and user counts. The 'Edit Role' configuration page on the right shows the 'Employee' role selected, with tabs for Staff, CRM (active), Project, HRM, Account, POS, Menu Access, and Other Modules. The 'CRM Dashboard' section has checkboxes for 'Show CRM Dashboard' (checked), 'Show HRM Dashboard', and 'Show Account Dashboard'. The 'Lead Management' section has checkboxes for 'Create Lead' (checked), 'View Lead' (checked), and 'Edit Lead'. The 'Pipeline & Stage' section is partially visible at the bottom.

૩. નવો રોલ પસંદ કરો. મોડ્યુલ પસંદ કરીને આ રોલ માટે જરૂરી પરવાનગીઓ પર ટિક કરો.

The screenshot displays the 'Evenmore Infotech' ERP interface. On the left, a dark sidebar contains navigation links for Dashboard, CRM, Sales, Purchase, Parties, Inventory, Accounts, HRMS, Reports, and Administration. The 'Administration' section is expanded, showing 'Users', 'Roles', and 'Clients'. The main content area is divided into two panels. The left panel, titled 'Search roles...', lists 15 roles: Sales Assistant (SA), Employee (EM), Accountant (AC), BDE (BD), Tele Sales Coordinator (TS), Area Sales Manager (AS), HR Manager (HR), Relationship Manager (RM), Business Operation Executive (BO), and Office Assistant (OA). The 'Sales Assistant' role is highlighted. The right panel, titled 'Configure permissions for this role', shows the 'Role Name' as 'Sales Assistant'. Below this, there are tabs for Staff, CRM (selected), Project, HRM, Account, POS, Menu Access, and Other Mo. The 'CRM' tab is active, showing permissions for 'CRM Dashboard', 'Lead Management', 'Pipeline & Stage', and 'Tasks'. The 'View Lead' checkbox under 'Lead Management' is checked and highlighted with a blue border. A notification at the top right states 'New role "Sales Assistant" created!'.
