Dashboard > Clients

How to create a client? Export

Clients
Manage your clients, view details, and track deals, projects, and communication.

Why use Client Management?
Keep client contact details and business information in one place. Review related deals and projects, update client records and use filters to find the customers you need.

Summary Cards:

- Total Clients: 128 (↑ 12% vs last month)
- Active Clients: 46 (↑ 18% vs last month)
- Clients with Deals: 24 (↑ 8% vs last month)
- Clients with Projects: 18 (↑ 20% vs last month)
- Client Satisfaction: 96% (↑ 4% vs last month)

Search clients by name, email, status, location, tags

Client Cards:
